To Whom It May Concern:

Re: Andrew Pallos, D.D.S.

Dear Sirs/Mesdames:

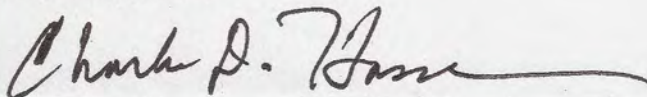

It has been my pleasure to know Dr. Andrew Pallos for approximately 26 years. Throughout that time, I have been continually impressed with his enthusiasm and thoroughness in whatever he pursued.

His training as a general dentist is excellent. Throughout our relationship, I have found him to be knowledgeable and informative of the most current standards as well as the dental literature. His patients and peers always speak highly of him. To the best of my knowledge, his ethics and morality are above reproach.

I am most pleased to have Andy as both a colleague and friend. Accordingly, I recommend him highly without reservation.

Should you require any additional information or would like to speak directly, please do not hesitate to contact me.

Very truly yours,

CHARLES D. HASSE, D.D.S., M.D.
